FEATURES

The Bandit delivers total balance from its preload adjustable front forks, preload and rebound damping adjustable rear shock with a progressive rising rate link system and from the careful calculation of the wheelbase, rake and trail.

Rider comfort can be fine tuned with handlebars which can be adjusted by 10mm, a seat that can be adjusted by 20mm and 4-way span adjustable levers.

Re-designed to be easier to read, the modern instruments are incorporated into a single sleek housing and feature an analogue tachometer, digital speedometer, digital fuel gauge and gear position indicator.
